Public Relations & Corporate Communications in the Public Sector

Course Overview:

Public relations and Communications are the heart of business performance. They are often confused because they both deal with communication with various publics. However, there are key differences between the two fields. Public relations are about managing the relationships between an organisation and its various public. It is about building and maintaining goodwill. On the other hand, corporate communications is about communicating with various internal and external stakeholders of an organisation. Modern methods, tools, and channels have greatly increased the speed in which communications can be experienced, from local to global.

Conference Objectives:

At the end of this conference the participants will be able to:

- Set Corporate Affairs in strategic anticipatory and effective context
- Develop an understanding of stakeholder programs for regular, focused communication
- Examine the development of Corporate Affairs tools
- Understand the development of strategy/plans/tactics and coordinate these
- Evaluate and the use of research
