Advanced Office Management & Effective Administration Skills in the Public Sector

Course Overview:

Advanced Office Management & Effective Administration Skills training course provides an important refresher course for office managers and administrators. As well as focusing on the skills needed, it also provides the opportunity to share best practice with other delegates.

Office managers take responsibility for making sure the entire office or complex of offices runs smoothly. This may include duties such as managing and supervising one or several administrative assistants so it is important that these valuable employees be helped to sharpen and develop their skills in both administrative and management responsibilities.

Course Objectives:

At the end of this course, the participants will be able to:

- Manage time and Prioritize their daily responsibilities to achieve maximum output
- Streamline their work practices and office environment
- Communicate effectively and assertively at all levels
