Managing Customer Relationship in the Public Sector

Course Overview:

This training course is intended to give those organizations which are looking to improve their customer focus and develop their customer culture by working toward the Customer Service Excellence Standard. This Reaching Excellence in Customer Service training program emphasizes on developing a culture of customer service excellence and provides participants with a roadmap for examining and improving the service they provide at both the individual and organizational levels. By providing excellent customer service, you can offset the effect of higher prices by offering a better customer experience.

Course Objectives:

At the end of this course, the participants will be able to:

- A shared organizational customer-centric service vision.
- Enhanced professional image with a customer base.
- Increased customer retention and revenue growth.
- Improved intra / interdepartmental communication and teamwork.
- A more productive and customer-focused workforce.
- Improved conflict resolution skills.
- An appreciation for the importance of customer service excellence.
- Best Practices of world-class customer service providers.
- Enhanced leadership and communication skills.
- Increased confidence to work professionally with difficult or upset customers.
- The insight to adjust your temperament style to become more versatile, adaptable, and highly successful.
- Improved time management and goal-setting skills to increase productivity.
